## REPORT NARRATIVE

### SYNOPSIS:

Justin Thing was contacted at 9610 Winter Crest Dr in response to a radio call of an intoxicated male sitting against a pillar outside a business. Thing appeared to be under the influence of an alcoholic beverage and extremely intoxicated. Thing had urinated and defecated in his pants.

During a records check on Sheriff's Inquiry, it was revealed that Thing had an active Felony bench warrant for 459 PC (SCE340453). While attempting to make the arrest, Thing fled the scene on foot. Thing was pushed from behind while he was attempting to be apprehended causing him to stumble into a glass window of a store. After hitting the window, Thing was knocked unconscious for approximately one and a half minutes. Thing was transported to Sharp Memorial Hospital where he is currently receiving medical attention. Upon clearance from the hospital, Thing will be booked into San Diego Central Jail for his felony warrant.

### ORIGIN:

On 7/22/14 at 1919 hours, I received a radio call of a Hispanic male adult who was very intoxicated with a shopping cart containing two cases of Shock Top beer, and eating chicken in front of "Endless Designs" business at 9610 Winter Crest Dr in Lakeside (CAD E1820343).

## INVESTIGATION:

While traveling to the location, Sheriff's Dispatch provided the suspect description as being a Hispanic male adult approximately forty years old. The suspect was described as wearing a black hat, gray tank top, and jeans. I arrived on scene and observed a Hispanic male adult wearing the described clothing, and matching the description. The suspect was sitting on the ground on the east side of the second pillar of the strip mall facing the parking lot. The suspect was directly underneath an "additional parking" sign. The suspect was eating what appeared to be chicken and was seated next to a shopping cart with two cases of "Shock Top " beer.

I approached the suspect and stopped in front of the curb line. I could immediately smell the overwhelming odor of an alcoholic beverage emanating from his person and breath. I also noticed a smell of human feces coming from the suspect. The suspect verbally identified himself as Justin Thing [REDACTED]. I asked Thing what he was doing. Thing stated he was waiting for his dad to pick him up to go home. I asked Thing if he had any identification on his person. Thing stated he did not. While Thing spoke to me, he was slurring his words, had an odor of an alcoholic beverage emanating from his breath or person, and his body swayed from left to right. Thing had droopy red blood shot watery eyes, lax facial movement, and used his right hand to support his head while speaking. I noticed Thing was sweating profusely and that he had recently urinated and defecated on himself.

Based on Thing's objective signs and symptoms, I determined Thing might be experiencing a medical emergency related to his high alcohol consumption. I requested Sheriff's Dispatch call for medics to evaluate Thing's medical condition. I asked Thing to move forward up to the curb line so medics would be able to evaluate him easier. Thing stood up and nearly fell over, stumbling to his right side. I assisted Thing by walking him to the curb line and guiding him as he sat down. Thing sat down next to the front right fender of a parked black sedan. I stood in the parking space approximately four to five feet away, facing Thing as he sat on the curb.

I conducted a records check via Sheriff's Inquiry on Thing. I asked Inquiry if they could provide a description of Thing since he stated earlier he did not have identification on him. Inquiry advised me that Thing had an active Felony Bench Warrant for 459 PC. Inquiry advised me that Thing was described as a white male adult, 5'8", brown hair, brown eyes, and approximately 130 pounds. I asked Inquiry to confirm Thing's social security number that he had provided to me. While confirming Things Social Security number with the dispatcher, Thing suddenly, without warning, stood up and started to run southbound on the sidewalk in front of the Endless Designs storefront.

I immediately pursued Thing along the sidewalk. Thing ran approximately ten feet when I managed to catch up to him. Knowing Thing was sweating profusely and had recently defecated and urinated on himself, I did not want to become contaminated with feces and urine. I knew Thing would be difficult to control if I attempted to grab him and pull him back to me. Had I pulled Thing back towards me, he could have fallen on me thus contaminating me with his bodily fluids. In effort to affect the arrest and gain

control of Thing, I pushed Thing one time using both of my hands on his upper back area to prevent him from escaping or running away into traffic. As I pushed Thing towards the ground to prevent him from running away, Thing appeared to resist the push and tried not to fall over. However Thing's momentum from the push carried him forward into the second window from the south side of the business causing him to strike his head on the thick glass window of the business. Thing hit the front left side of his head on the window of the business and appeared to be immediately rendered unconscious. Thing fell to the ground landing in the recovery position to the left of where he impacted the window.

Based on my training and experience, I know that suspects in burglaries are often armed with various items that may be sharp such as screw drivers, knives, and possibly firearms. Fearing Thing may possibly be armed with a weapon that may be used on myself or an innocent bystander, I used the least amount of force possible at the time. The force used on Thing was effective in preventing injury to myself or any citizens that Thing may have encountered. If I did not use the force I did, Thing may have caused serious bodily injury to myself by attempting to assault me, any citizens in the area, or may have been struck by a passing vehicle in the roadway. Due to the rapid development of the incident, I did not have time to give verbal commands to Thing as I apprehended him quickly.

As Thing fell to the ground, I immediately handcuffed Thing and searched him for weapons. I observed blood coming from the left side of Thing's head. Knowing Thing was unconscious, I checked and made sure he was breathing, which he was. I shook Thing in attempt to wake him up. Thing made slight moans and groans but did not regain consciousness until about a minute and a half. I attempted to radio for additional patrol units to assist me but was unreadable due to a loud commercial audible alarm sounding from the business of where Thing hit the window.

Lakeside Fire Department arrived a few minutes later and provided medical care for Thing. I advised Sgt. Baggs at approximately 1933 hours of the Use of Force. Sgt. Baggs arrived on scene as Thing was being transported. I followed Lakeside Medics #3 to Sharp Memorial Hospital. While at the hospital, Thing became very agitated and uncooperative. Dr. [REDACTED] decided to incubate Thing so he could provide proper medical care. It was later determined that Thing did not suffer any internal injuries to his head or any other internal organs or bones. Thing suffered a contusion to his upper left eye and small laceration to his left eye brow, a laceration to his right shoulder, and a scraped left knee. It is suspected Thing received the laceration to his eye and right shoulder from the two inch metal window frame which protruded from the window of where Thing hit his head. After receiving several scans for injuries, Thing was transported to room #202 of the Intensive Care Unit, due to the necessary incubation. I was later informed that Thing's Blood Alcohol Level was 0.32.

Thing was released to the custody of San Diego Central Jail Deputies while at the hospital. Once cleared from the hospital, Thing will be transported and booked into San Diego Central Jail for his Felony Warrant.

Photos of the area of where the incident occurred and of Thing were taken. I later placed these photos on a CD which I placed into evidence at the Santee Station.

**REPORT NARRATIVE****SYNOPSIS:**

I assisted Deputy Lemaster in his investigation by conducting a witness check and taking follow-up photos of arrestee Justin Thing's injuries.

**ORIGIN:**

On 7/22/14 at about 1930 hours I responded to 9610 Winter Gardens Boulevard for a call involving an intoxicated male subject later identified as Justin Thing. Force was used to take the subject into custody after it was discovered he had a felony warrant for his arrest.

I arrived on scene at about 1940 hours and saw Deputy Lemaster and Deputy Collins were on scene. There was also an ambulance on scene and I was told the subject, later identified as Justin Thing, had hit his head on the window and had been rendered unconscious. I did not see Thing as he was in the back of the ambulance, nor did I speak with Thing at that time since he was being transferred to a hospital for medical care.

On 7/26/14 at 1953 hours, I conducted a witness check of the local businesses at 9610 Winter Gardens Boulevard in Lakeside to determine if they witnessed the incident. I used an audio recorder as I made contact with each business. I went to [REDACTED] and spoke to employee [REDACTED].

[REDACTED] witnessed a portion of the incident that occurred on 7/22/14. [REDACTED] heard sirens and walked outside to see the deputy push "a guy" against the glass, which caused the store's alarm to the store went off. That is all [REDACTED] witnessed. [REDACTED] said no one else in his store witnessed anything.

I went into [REDACTED] and spoke to witness [REDACTED] to see if he witnessed anything from the other night. [REDACTED] said he did not see very much, but said "Is this about the guy that got his head busted open?" [REDACTED] was smoking and heard the alarm go off so he went outside. [REDACTED] saw the deputy was "cuffing him" and [REDACTED] walked over and offered to help. But [REDACTED] could see the guy was "out." [REDACTED] saw the deputy was checking him to make sure he was okay and checked his head. [REDACTED] said, "I think I saw him check a pulse or something."

I went to [REDACTED] and spoke to the owner/manager [REDACTED] and asked if he saw anything that happened the other night with the deputy. He just saw the cop cars outside but did not see anything happen between the deputy and anyone.

On 7/27/14 at about 2033 hours, I went to San Diego Central Jail and spoke to Justin Thing regarding the incident. I spoke to Thing in a private interview room and Thing was handcuffed. I introduced myself and read Thing his Miranda Rights from my Deputy Notebook. Thing said "yes" to understanding his rights and "yes" he was willing with me. The interview was audio recorded.

## Statement of Justin Thing:

When asked if he knew the date he was arrested, Thing said, "No not really." When asked to tell me about the day he was arrested, Thing said, "I don't remember my arrest." Thing did not remember the day he was arrested because he was "intoxicated inebriated." The last thing he remembers was drinking with acquaintances in Lakeside, but then blacked out. Again Thing said, he honestly did not remember getting arrested. The next memory Thing had, was when he woke up in the hospital and had some kind of breathing tube and a catheter. Thing was chained to the bed and one of the jail deputies who work at San Diego Central Jail was watching him.

I asked to look at Thing's injuries and he showed me the cut to his left eye-brow, which required several sutures. Thing also showed me his left shoulder which required three staples. I took photos of his injuries.

On 8/1/14 at about 1300 hours, I went to the [REDACTED] located at [REDACTED] Winter Gardens Boulevard in Lakeside and met with [REDACTED], [REDACTED] who allowed me to review the video footage from July 22, 2014 between 1900-1930 hours. [REDACTED] did have an outside video camera that was pointed in the direction where Deputy Lemaster made contact with Justin Thing; however it was too far to see anything. Also, the sun was setting and caused a glare on the video camera. The video was of no evidentiary value.

The photos and audio recordings were burned to a compact disc and logged into evidence at the Santee Station.

**Was Initial Use of Force Effective?** If initial force used was effective, check "Yes." If initial force used was ineffective and additional force was necessary, check "No."

**Was Additional Control or Force Needed:** If initial force used was ineffective and additional force was necessary, check "Yes." If initial force used was effective, check "No."

**Target Distance:** If applicable (refers primarily to less lethal weapon systems), approximate distance or provide range (i.e. 7-15 feet, 15-20 yards, etc.) from subject during application of force.

**Subject Injured:** Check "Yes" if medically treated for injury sustained as a possible result of force applied by a officer(s) – does not include previous injuries suffered prior to officer contact. Check "No" if subject was not injured or simply complains of injury/pain suffered as a result of force applied by an officer(s) and refuses medical attention. Any complaints of pain shall be documented in the use of force report narrative (whenever any physical force used by a officer results in a complaint of injury or an injury that necessitates medical treatment of a subject, a supervisor will be notified immediately).

**Extent of Treatment:** Check appropriate box. Check none if subject was evaluated and no treatment was required. Specifically, check "Treated at Scene" if subject was treated at scene by EMS for injuries that may have resulted due to force applied by officer(s). Check "Treated at Hospital" if subject was transported to hospital for treatment of injuries that may have been sustained as an apparent result of force applied by officer(s). Check "Hospitalized" if subject was admitted to the Hospital as a result of injuries that were sustained as a result of force applied by officer(s).

**Officer Injured:** Check appropriate box (see above).

**Extent of Treatment:** Check appropriate box. Check none if officer was evaluated and no treatment was required. Specifically, check "Treated at Scene" if officer was treated at scene by EMS for injuries. Check "Treated at Hospital" if officer was transported to hospital for treatment of injuries. Check "Hospitalized" if officer was admitted to the Hospital as a result of injuries.

**Other Force Used/Comments/Equipment Performance:** This section can be used to document other force options not listed on the form; relevant comments about the incident such as complaints of pain/injury (room permitting) and negative/positive comments regarding equipment performance.

**Mark Figure to Indicate Contact Points:** When applicable, mark the areas on the figure where applied force contacted the subject's body.

**Sergeant:** Sign, list ARJIS number and date reviewed.

**Lieutenant:** Sign, list ARJIS number and date reviewed.

**Captain:** Sign, list ARJIS number and date reviewed.
